**Kite flying 1pm Saturday meet at the lodge to build your kite. We need a couple of helpers to make this happen. We would hate to disappoint the kids! Thank you.**

**Crafts** The kids really had fun during this class, coloring posters for Mom and making this sweet shaker. Thank you Gretchen F23 and crew for organizing this.

Once again we will be having a Poker Run on Saturday May 26 Starting about 2pm after the blood drive. We are in need of 5 sites to hand out cards and provide appetizers/ drinks. We would like to try and have a site from each section in the park. I have 1 site who has committed. Bruce on B-1. If you are interested please see myself on F-24 or Mike on F-23. I think there were 1 or 2 sites that wanted to host this Memorial Day weekend that let us know last year. We do not have that information. So please let us know. More information can be found on the sign up sheet regarding the coordinating of this event.

Thanks, Rob

Still looking for 3 more sites to host for the poker run on Saturday May 26. As of right now we Bruce and Amy on B1, and Erin (T), & Rebecca) on A 28. It would be nice to have some sites from E,D or F. Let me know if your interested or would like more details on hosting as a site. It's such a fun time and you get to meet lots of people.

Poker Run for the kids is free

### Mother's Day was Awesome!

The ladies came up and enjoyed a paraffin wax hand treatment with sugar scrub. They also relaxed with sangria and snacks Saturday. Mom's were also treated to a free breakfast Sunday morning. I must say, for the first breakfast of the season it was so delicious. Thank you to Nick A16, Crawford B3 and Tim for cooking everything in the kitchen (no small feat) because of the weather. Great job Mom's, Lisa F21, Ann F21, Vicky C8 & Vicky A16 for putting the finishing touches on breakfast.

I am so excited! Tim has agreed we can move the griddle, smoker and

BBQ over to the kitchen side!!!!

The canopy frame will be dismantled and rebuilt to cover the cookers. Some of the large tables will be replaced with round tables with umbrellas. But, we need help to do this. Help to pour a 20x30 concrete pad for the area and move the cookers over. I'll put up a sign up if you're interested.
